About the yacht

Blue Heaven is a 30 m gulet for 9 guests in 5 cabins, offering gulet charter from Bodrum, Turkey, with a foredeck Jacuzzi and spa-style bathrooms. She was built in 2011 to RINA class standards and refitted in 2020, and with twin 390 HP Caterpillar engines she cruises at 13 to 15 knots, which brings more of the coast within a week. Nine guests share five en-suite cabins: two master suites, two twin cabins and a single cabin. The bathrooms are a highlight, with shower boxes and jacuzzi, steam bath or massage shower options, and each cabin has a TV and a hairdryer. On deck, the Jacuzzi sits on the foredeck, and 22 underwater lights illuminate the sea around the yacht at night. The aft deck has an alfresco dining area with outdoor speakers, and the foredeck has sunbathing mattresses, soft loungers and shaded seating.
