About the yacht

Illusion 2 is a 40 m motor yacht for 12 guests in 6 cabins, offering fast motor yacht charter from Bodrum, Turkey, with a deck Jacuzzi, a gym and a crew of eight. Lloyds Ships built her in 1991, and a refit in 2023 brought her up to date. She has a semi-displacement aluminium hull and interior styling by Oguz Develi. Twin 1,750 HP Caterpillar engines give her a speed range of 10 to 16 knots, and a cruising range of up to 3,500 nautical miles means a week from Bodrum can cover far more coast than a gulet allows. The accommodation is a master suite, two VIP cabins and three double cabins, all with en-suite bathrooms, a TV and air conditioning, and the air conditioning is available 24 hours a day.

On deck, the Jacuzzi, a training bike and underwater lights set the tone, and below there is an onboard gym. The toy list
