About the yacht

Merve is a 39.62 m motor yacht for 10 guests in 5 cabins, offering fast motor yacht charter from Bodrum, Turkey, with zero-speed stabilisers and a deck Jacuzzi. The American shipyard Broward built her in 1991 and she was refitted in 2022, with an aluminium semi-displacement hull and aluminium superstructure. Three 1,550 HP Cummins engines give a cruising speed of 12 knots and a top speed of 25, with a range of up to 4,146 nautical miles. A bow thruster helps her handle in busy harbours. Zero-speed stabilisers keep her steady at anchor, which makes a difference during swims and at night. Five cabins sleep up to ten guests: a master suite with a king-size bed, two doubles with queen-size beds and two twin cabins. Air conditioning is available around the clock.

On the upper deck, a Jacuzzi and a private sun deck lounge give guests a quiet corner, and dual satellite TV and Wi-Fi are on board. Toys include a jet ski, two paddleboards, two ringos, water skis and snorkelling gear, with a 4.5 m RIB tender with a 50 HP engine. A crew of six looks after the guests. From Bodrum, the Gulf of Gökova and the Datça Peninsula are an easy run. She suits executive guests, friends celebrating together and families. Life Aboard M/Y Merve

Merve combines warmth inside with open space outside. The upper-deck Jacuzzi and sun deck lounge are the quiet corners of the yacht, while the main-deck master suite and saloon keep guests close to the water. With her speed, passages are short, and evenings are spent at anchor with the stabilisers working. Cabins and Comfort

Five cabins sleep up to ten guests, with air conditioning in every cabin and saloon.

Main-deck master suite: king-size bed and private en-suite.

Two double cabins: queen-size beds.

Two twin cabins: single beds, practical for children or friends sharing.

Crew and Service

A crew of six looks after navigation, housekeeping and meals. The captain and crew adapt each day to the weather and to your group. Water Toys

Jet ski

Two stand-up paddleboards and two ringos

Water skis and snorkelling equipment

4.5 m RIB tender with a 50 HP engine

Engineering and Performance

Merve has a beam of 8.28 m and a draft of 2.8 m. Her three 1,550 HP Cummins engines are supported by two 92 kW Northern Lights generators and a 27 kW Cummins generator, with a bow thruster for close manoeuvres. Who Is Merve Ideal For?

Private and Executive Charters

Speed, a range of up to 4,146 nautical miles and a crew of six suit guests who want to cover distance and still arrive rested. Families and Multi-Generation Groups

Two twin cabins for children, stabilisers at anchor and a Jacuzzi for the adults make her an easy family yacht. Friends' Getaways and Celebrations

The master and two double cabins suit three couples, the twin cabins add space for friends, and the upper deck and sun deck lounge give the group room to celebrate. Motor Yacht Charter from Bodrum: Suggested Routes

Merve is based in Bodrum. A sample one-way week could follow the coast east to Göcek: Knidos and Datça, Hisarönü Bay, Bozburun and Bozukkale, then Kadırga and Ekincik Bay with an optional Dalyan River excursion, ending at Tersane Island. Her speed means a long route can still leave time for swimming. Every route is a flexible example, and our charter team will help you plan the itinerary. Frequently Asked Questions

How fast is Merve?

She cruises at 12 knots and has a top speed of 25 knots. Does she have stabilisers?

Yes. She has zero-speed stabilisers for use at anchor. Is she suitable for children?

Yes. There are two twin cabins, and the stabilisers reduce motion at anchor.

Send an inquiry to the Ekmar Yachting charter team to check Merve's availability for your week from Bodrum.

Charter Exclusions & APA

Advance Provisioning Allowance (APA)	**The A.P.A. is a running expense fund of 25–40% of the charter fee, paid before embarkation and held by the captain. It covers all on-board running costs — provisioning, beverages, fuel beyond the included cruising hours, marina and port fees, and any services requested during the charter. The captain keeps full accounts and presents them at the end of the charter; any unspent balance is returned to the charterer, and if costs exceed the deposit the difference is settled on board. The A.P.A. is not part of the charter fee and is not a service charge.**
Airport Transfers & Guided Excursions	**Private land transportation, airport transfers, shore excursions, and personal guest expenditures.**
Bespoke Catering & Food Supplies	**All onboard dining provisions, ingredients, fine wines, and beverages tailored to guest preference lists.**
Crew Recognition & Gratuities	**Discretionary gratuity presented to the crew at the end of the charter in appreciation of exceptional service (industry standard suggests 10%–15% of**
Cross-Border & Greek Island Expenses	**All navigational fees, international customs clearances, and port taxes incurred when cruising outside home waters.**
Extended Connectivity	**Satellite internet or Wi-Fi beyond local network coverage areas.**
Main Engine & Generator Fuel	**Main engine and generator fuel consumption beyond standard allowances or specified cruising limits.**
Private Marinas & Foreign Port Dues	**Berthing and mooring fees at private marinas or foreign ports outside standard embarkation/disembarkation harbours.**
Specialised Water Sports Equipment	**Rental or deployment fees for select high-end marine toys and specialized recreational equipment not included in the standard inventory.**
Tender & Water Sports Fuel	**Fuel consumption costs for tender operations, motorized water toys, and recreational water sports activities.**
Value Added Tax (Turkish VAT)	**Applicable statutory VAT (20%) as mandated by Turkish maritime regulations.**
