About the yacht

Ocean Breeze is a 43 m motor yacht for 12 guests in 6 cabins, offering motor yacht charter from Göcek, Turkey, with a hamam, steam room and beach club. Ürkmezler Yachts built her in 2010 and she was refitted in 2021, with a laminated wood hull and superstructure. Her wellness facilities are what set her apart: a custom steam room, an authentic Turkish bath, a dedicated wellness and massage suite, a treadmill on deck and an on-deck dip pool. At the stern, the waterfront beach club opens towards the sea for swimming and water sports. Inside, a 65-inch TV in the main saloon, a karaoke system and a multi-zone sound system turn evenings into a shared occasion.

Twin 1,970 HP MTU engines give her a speed range of 12 to 22 knots, and eight crew look after the guests.
